

# Classroom Presentations from SAY:

## Clean Slate Tattoo Removal & Esperanza Resource Services for Teens

Social Advocates for Youth offers topical presentations geared for a teen audience, focusing on developing life skills and educational and employment opportunities.

### Esperanza services include:

- Job assistance: resume writing help, practice interviews, job referrals
- Community Service Opportunities
- Employer field trips and work experience
- Social activities
- Educational support
- Tattoo removal

### Inspirational guest speakers

Clean Slate program participants Cris Pulido and Irwin Tenorio speak about their experiences leaving the gang-life and having their tattoos removed.

*Presentation includes: a 7 minute video and handouts for students with information on accessing SAY services.*
